### There is so much more to Dusty (#p125900)

by **Graham2010** » Mon Jul 08, 2013 8:17 am

it is great Dusty gets so much air play here in the UK.....BUT there is so much more to Dusty than the singles that get played over and over again.

I would love my own Dusty Hour Show where I could choose album tracks, b sides and rarities that never get aired to the masses.

I need time to decide on my playlist but what would other LTD members choose?

Probably 20 tracks.

I could do that!

I have several playlists in my head and one compilation I have already put together!

😞 I'm so inept with my computer any playlist I'd try to burn would fast become a train wreck.  
(I really need a tutor !) 😞

This song's intro is so "heavy" I think most listeners disregard it before hearing it out. 🙄

🎵 🤩 🎵 It would be on every playlist I make. 😊

Great question! Here are some of my favorite songs that I don't hear played as often as the "big ones". 😊

1. I wish that love would last( one of my top ten favs!)
2. what are you doing the rest of your life?
3. Carnival ( the version from the Brian Henderson show)
4. I just wanna stay here ( Dusty hated it, but I thought it was sweet)

5. I don't want to hear it anymore
6. breakfast in bed ( Preacher Man gets all the attention off this album)
7. I had a talk with my man
8. who will take my place
9. Am I the same girl
10. thats how heartaches are made
11. beautiful soul
12. Di fronte all'amore( prefer this slightly more in Italian, but the English is great too)
13. you're no good
14. lose again
15. when love turns to blue
16. go easy on me
17. see all her faces
18. Ive been wrong before
19. close to you
20. Arrested by you
21. \*\*\*bonus\*\*\* to love and be loved 22. I wish you love

This can't be done in just 20 selections! Lol!

I know I'll kick myself when I think of the ones I didn't list! 🙄

I knew it!! Forgot to list "make it with you"!! 😊 awesome track! 🍷

Dusty gets lots of air play on the radio in the charity shop I work in. YDHTSYLM played two days ago and the manager and I were striking poses at the intro. It was priceless. 🤗

Okay, off the top of my head my super awesome playlist right now would be:

1. Go Ahead On
2. Soft Core
3. I Just Wanna Be There
4. I Don't Want To Hear It Anymore
5. If Wishes Could Be Kisses
6. Small Town Girl
7. If You Go Away
8. What's It Gonna Be?

- 9. Ain't No Sun Since You've Been Gone
- 10. In Private
- 11. Summer Love
- 12. I'm Coming Home Again
- 13. Summer Is Over
- 14. Can I Get A Witness
- 15. Beautiful Soul
- 16. Sweet Ride
- 17. Poor Wayfaring Stranger
- 18. Magic Garden
- 19. Roll Away
- 20. What Are You Doing The Rest Of Your Life

That felt like favouring children. 🙄

Is there any enterprising soul who would be interested in collating these suggested playlists and maybe cutting a cd of the most popular tracks? Maybe if enough of us entered our most

popular tracks there would be a fantastic new Dusty album
