I adore these mono shots of Dusty from that era - absolutely wonderful :)

I think that last one Cas posted was taken at Basin St East. The BR initials you can see would be those of the repulsive Mr Rich

I love the black and white one too, the one after the red trousers one, she is so beautiful there... Like an angel

This has always been a favourite, and I thought it could go nicely on this thread. Hope it hasn't been posted on here, no time to scan back!

Even if it has, Cas, it's worth posting twice. 😊 I haven't seen it before, either.
Thanks.
