My thoughts and prayers go out to the families of those killed and injured in the horrific terrorist attack at the Manchester concert.

Of course words are inadequate - beyond heartbreaking.

Lovely Manchester ...you will prevail over this evil deed.

Such a sad day. I am so sorry.

Yes indeed, so sad, but Manchester will never be defeated and will rise again, even stronger.
Thoughts and prayers to all those affected.

There are no words to adequately express the horror and revulsion at an attack directed primarily at young girls and women who just wanted an exciting night out. I pray that those who survived, and those who are impacted by the events of last night, don't allow it to terrorize them into submission. And to those who didn't survive God bless you forever.

Yes this sort of thing I wouldn't wish on even my worst enemies or people who proved to be enemies of Dusty. Aside from the tragic deaths, there's the confusion of who's wrong and right about what should and shouldn't be allowed in places, in countries. It's not all black and white.

Evil beyond belief.
The response of the people of Manchester has been brave and united in a city that will be strong .
