### Today in history (#p181758)

by **Brian** » Fri Mar 25, 2016 6:44 am

50 years ago today - March 25th 1966 was the release date for YOU DON'T HAVE TO SAY YOU LOVE ME, Dusty's only UK number 1 single.

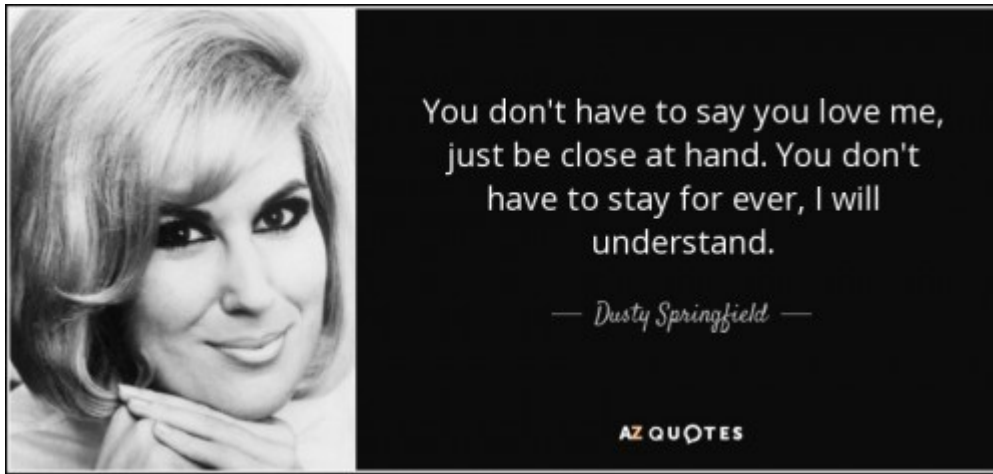

It entered the chart the following week at number 41, then week 2 it was number 16, week 3

number 10, week 4 number 2, and on the 5th week she was sitting proud at the top 🤔 🤔 🤔

How many of us bought the record on day of release ?

Amazing to think it's been half a century - it's as fresh and timeless as it was the first time I heard it

Here's Dusty's acetate that she took home from that session:

Believe me, believe me....it only seems like yesterday.

Still sounds good today of course 🌟 and she deserved other number 1's .
