Hi

Has anyone seen an article or interview with Tom Shapiro regarding his production of the album and his experience of working with Dusty?

Lynne Jackson did the fan club in Otley in West Yorkshire, but she passed away and i can't find contact details of her family who might have such articles. I wonder if there were any bonus tracks i sense Dusty was tired with the illness making the album, but in Dusty style it was recorded not in a studio but Bennett house, and there was promotion 1995 in America, again i,ve lost the video. Lynne also had Dusty's last fan letter 1995 in America which i have lost. The LP is available on e-bay. Robert.
