I did it a few days ago. It's all Rick Astley's fault!

There's a part of you, that's a part of me...

Voted. Thanks Trek 🙌, and for the link Karen. 😊

Was nearly tempted to vote for Waterloo Sunset, or Up The Junction, 🤔 but did the right thing. ❤️

I hope we made a difference. 🙌

Some very good songs on the list. Can't believe Waterloo Sunset didn't make it to 1, just goes to show what quality songs were around especially in the 60's.

I voted but when I saw the list it really shocked me. the songs that didnt get there,it seems crazy. 😊
God only knows, Waterloo sunset, hes a rebel and then all those Beatles songs and recently to see Adele not make it. 😞😞

So WHIDTDT made it to number 28 which is fairly good considering all the good records in the 100 or so included on the original list.

Most of the ones which didn't make it to 1 were kept off by rubbish on the whole ! 😊

At least we tried. 😊 Probably would have been worse if WHIDTDT finished second in this chart too. 😞😞
