Carole, tell us the story (again)! Is my memory correct that you said something like "Do something! Don't just stand there like you're being executed!" to her?? 🟢😵

No, I didn't say that! I just asked her to "do something silly" as she was just

standing there **looking** like she was about to be shot. It was taken in August 1966 Mary and yes, the whole story is on the website.
