WOMR Radio - Massachusetts (#p151147)

by **LilCajunGirl** » Wed Apr 16, 2014 5:02 am

Listened to three hours of Dusty music in honor of her 75th birthday. Loved it when the DJ put on the interviews towards the end. Love her speaking voice.

Also got a new favorite song out of the deal. "Make The Man Love Me" is my new favorite!

Sounds like a lovely tribute. Wish I could have heard it. My friend Liz and I sang "What Have I Done to Deserve This" at my karaoke show tonight, and I played her live performance of "You Don't Have to Say You Love Me" from her second BBC series in 1967 as the closing song. I'll be sure to show more love at tomorrow's show.

Wonderful to remember Dusty would have been 75 years of age. Love Dusty at the BBC and people get ready

while "just Dusty is my favourite" programme. Love Robert and Trudy xx

Really enjoyed the tribute to Dusty, on WOMR radio. The show was pretty much a constant string of songs the whole three hours, just great. The interview was Top of the Pops, and Dusty named her 10 favorite songs. Very interesting! Just love hearing her talk. ❤️

John Perrone is the gentleman who does the Nightflight show on WOMR- a great guy who is not only a very big fan of Dusty's, but of Motown and 60's music in general. He also posts a lot of expertly crafted extended mixes of 60's music- mostly Motown- on youtube.
