Hey they look great Jason. For the last one, anyone into cross-stitch, looks as though you could adapt that one. 😊

Neil, you mean your own b/f Jason, I guess! Iceblink is a Jason too. 🙄

Those look soo iconic, Jason! Love the colours, too.

This last one reminds me of stuff I've done in Kindergarten, with little plastic pearls you had to iron over...?

Good lord no, i was exactly the same when i first discovered a dusty forum, some people are still huge posters, to me its a refuge also, from the rest of life, a place with like minded people, everyone will be really pleased that you are taking such an active part, thats what this place is for!!

Yes Jason - you are doing great. (My post count fluctuates wildly - how busy and whether I'm in a wordy mood or not).

I like those Dusty images a lot. :-)
