I think she'd be feeling great, back to her wacky lil' self doing all sorts of fun things and good works.

I have this fantasy she teams with Freddie Mercury to do a Heaven charity concert for all those put-down and otherwise abandoned/dead kitties who've gone up to the Great Litter Box in the Sky. I mean, her and Freddie! Imagine it...the best female and male vocalists of our time, maybe all time singing together!

I think she'd be keeping company with all the other rock n roll greats up there and sadly some fans too; they'd be putting on some fantastic show!

I hope if she feels "lazy and self-indulgent" she isn't feeling guilty about it, LOL.

Yes, throwing crockery or bread rolls at other angels sounds like fun.

I think her voice is at full power and she is leading a grand choir.

Ah, yes, throwing crockery, definately! (How did I forget that?) :) Can see her as a terrif choir leader too Nancy. Probably spending most of her time hanging out with all the animals in God's (hopefully enormous!!) animal area as well.

Kim Weston....oh, I think I may be getting her mixed up with Marvin's other singing partner, Tami Terrell, I know one of them is no longer with us.....which one?

Hopefully she's having fun with the choir...when she's not cleaning up after Nicholas and Malaysia, to name but two. 😊

I also can't help but wickedly think she'd start a food fight with the HP, who'd give it right back!
