"Where Am I Going" (song) Appreciation Thread (#p90774)

A marvellous tune that Dusty seemed to always perform to perfection. Also an appropriate statement for her to make at a crossroads in her career.

Who agrees? 😊 🤔

I've always loved her singing this song.

She is the great actress when she sings this, you feel her pain and desperation which the character expresses in Sweet Charity

Fab song. 🍷

I like the line, "Whats in this grab bag that I call my mind?".. 🤔 😊

Dusty would have made a great 'Charity' on stage.. What a shame that she either never felt able to, or never got the opportunity to appear in a stage musical...

I agree with you both. To think what Dusty the stage actress could have done, though the poor thing might have had to draft the script up and down her arms! If the glimpses at Dusty the theatre maven that we've had from her variety show cameos are anything to consider, she would have been giving award-worthy performances.

Love the song, it fits Dusty's singing perfectly.
It's on a great album too 🎵 Which I think is under-rated.

"Do I keep falling in love for just the kick of it?
Staggering through the thin and thick of it.
Hating each old and tired trick of it
Know what I am? I'm good and sick of it."

"Run where it's foul, run where it's fair
No matter where I run I meet myself there."

Great Dorothy Fields lyrics - check out some of her other songs like THE WAY YOU LOOK TONIGHT - she was always very clever.

Dusty talked alot about her transient nature, 'things will be better if I move further down the road' type of thinking but she came to realise that wherever you go, you take yourself and your own 'baggage' with you.

I think this line is particularly appropriate for Dusty.
"No matter where I run I meet myself there."

She sang another song from Sweet Charity as well.. 'If They Could See Me Now'.. 🎵🎶

I was trying to think where Dusty sang If They Could See Me Now. Then I realised it was on one of the her tv shows. Neat little dance at the end, and the famous heel kick!

Where am I going?
Why do I care?
Run to the Bronx
Or Washington Square
No matter where I run
I meet myself there

awesome. Love the song. Thanks for posting about it Joe!

and our very own Carolyn uploaded the song with some cool video to go along with it 🙌

WOW ! 🤔

That's a really BIG song. 🎵 🤩 🎵

🌟 A real show-tune, Broadway style. 🤔

😊 So different than her pop-songs, or the MoTown stuff.

😬 And so personally Dusty ! 🌹

😄 That photo montage told the story well. 😊
