Heya!

Ina took some pictures of where Dusty went to school and wanted me to share them with you:

*So I decided, to send it to you (perhaps you could post them?):  
The two pics show the Little Ealing primary school, Little-Ealing Lane. It must be the former St. Anne Convent School, Dusty attend. It is certainly interesting for the others!*

Nic photos. Thank you Ina, and Laura.  
 Didn't Ina visit a number of Dusty spots--hope she will post or send you more photos to post.

I wonder if that was the place? St Anne's was on Little Ealing Lane, I think. But Simon says St. Anne's is now King Fahad Academy. And I don't see anything on the Little Ealing primary school website indicating a past association with St. Anne's. It also says it is on Weymouth Ave.

That's not St Anne's I'm afraid, it was much bigger as in the pictures in the links Nancy posted. Dusty only went to St Anne's in Ealing, her other schools as far as I know were....

- Sands County Primary School (c 1945)
- St Augustines Elementary High Wycombe (c 1949)
- St Bernards Convent High Wycombe (c 1950)
- St Annes Convent Ealing (c 1951)

... have technical problems. It does not work posting pics from my computer...

It is strange... I found the address in Sharons book and printed me a google-map. The place you see on the pics is on the cross road "Little Ealing Lane - weymouth Ave". But when I see the pics from

<http://www.simonbell.com/Ealing.html> and <http://www.freewebs.com/stevecann/christinexstannesconvent1952-medium.jpg>

I was watching the Just Dusty DVD last night and when I saw the picture of Dusty in the hockey team it reminded me to mention that the person sitting at the side of her could pass for a young Annie Randall!! You probably all disagree and think I have totally lost it, but I think the resemblance is uncanny!

Ina, you did your best! Maybe Sharon made a mistake?

Moira, I will have to check that out! Maybe Annie has a past she is not telling us about. LOL.

Both the school that Ina took a photo of and St Anne's, were/are on Little Ealing Lane, hence the mix up. I think St Anne's, which I believe is now empty and slightly derelict after the King Fahad Academy moved out, is off the road. One entrance to it was from Convent Gardens (another Google find 🗺️)
