Despite loving Karen's voice this song IS Dusty. It has Dusty stamped all over it. No contest really.

Dusty definately, but I believe the second version is sung by Claire de la Fuent and not Karen as it was written after Karen died I think.

It's not Karen so it's no contest but I don't like the song anyway.

Nope, Karen was dead before the song was written.

You don't even like Miss Dusty's version, Humboldt? It's not my favorite of her songs, but it has it's moments.

MDF. There are very few song by Dusty that I don't like. 'Something In Your Eyes' is one of them as I think that it lacks any depth and even Dusty couldn't save it.
