Right Corinna!

Here is one of the reasons why I love the Dusty:

[youtube]http://www.youtube.com/watch?v=_KYpjPbKBqU[/youtube]

I showed this video in my Dusty's presentation in the english class. My colleagues and my teacher loved her. I think I put 20 people searching for Dusty on the Internet! 😊 And because of that I had a good mark! 🙄 She's ALL good!

I LOVE that video too, Jessica! 🥰

As you said Corinna "her dans steps are adorable" 🥰

She's looking so splendid and the song really swings 🎵 🥰

I think "Nowhere To Run" was the first Dusty song I watched on Youtube. I had not heard it with Dusty before but I loved the song and her performance immediately ❤️

I have always loved Dusty's music but after seeing this video I think "my obsession" with her started 🤪🤪

Re: Why i love Dusty Springfield (#p42784)by **jessicarc14** » Wed Dec 15, 2010 3:05 pm

Watch that video was also one of the first steps of my Dusty's obsession. 🥰 I also remember watching "Everybody Needs Somebody To Love" which is one of my favorites. She's having so much fun singing that song! 😊

😬 Reading several definitions of the word *OBSESSION* it is almost a negative in any context.

Meaning "unreasonable concern" or "inordinate preoccupation".

Neither of which relate to my feelings, so I've decided to look at it as a love affair.

As a fan, 🌟 as an artist, 🧐 as a family member, 🍷 as a fellow human being, 😊 or whatever. 🤪

I can go on counting the reasons why I love Dusty, and I will. 🙌

Re: Why i love Dusty Springfield (#p42945)by **Cardiff Bluesgirl** » Fri Dec 17, 2010 12:24 pm

an interesting little view on the subject 🤔

"Why do I love Dusty Springfield"

Why do I play her songs
never tiring of them like some do
how can I explain the emotions
Why should I even try to.

Why do I read her story,over and over again
How can I say I know it,or comprehend the pain.

Why do I cherish the pictures
captured moments of her life.
How do I choose my favourite
link them to my own life?

Why do I think shes still out there
well,just because she is.
On every breath of wind that blows
through changing seasons my Heart knows
thats why I love Dusty Springfield.

😂😂😂 (screeching banshees)

You mean like Madonna, or Lady Ga Ga ? I just don't get it. In 1976 you could get that kind of show at any tawdry peep-show on Times Square for 5 bucks, and a couple drinks. 😂😂😂

her spirit and optimism...and they really shine through in this interview.

@Nancy/Paula- this is the interview I was tellin' y'all about the other night.

at the end, when she looks at the camera and says "look for support, it's there for you. And you can, and you will get well...you just will..." and smiles, I still can't help getting misty-eyed. What a

dear person. 🌹
