Where am I going?

Does anyone know if this was her real hair? Because I always thought it was a wig, but it could have been her real hair!

I have a friend who has a very similar hairstyle right now and I think it looks really good!

I'll post some photies 😊

All of them, eh, Rosemary? Cool.
I wasn't sure about the Bobby Darin one.
Hair kinda stiff; guess it was the hairspray.

How about the necklace she's wearing with Bobby Darin!

uhmmm, necklace?, what necklace? 🤔👀

Shag haircuts were pretty big in the 70's..a lot of my little friends had them..though they were a bit more shaggy than these pics..I too had one at one time.
I absolutely LOVE the clapping hands pic....my favorite of all Dusty photos 😊
