Mike Owen also took the blue denim shots and roll neck sweater ones in '94, it's possible that this was the same day and she was getting tired by the end.

Glad to see the beehive is in the collection. And I note you can't get a reprint of it.
She has such a far away look in the blue portrait.

At one point those photos from the National Gallery were for sale, as

someone sent me one a few years ago. The detail is amazing!

Yes I saw that there is an option to purchase many of the images on various media, such as canvas - and the prices are exceptionally reasonable, too! I am very tempted by a 30" canvas of Kate Bush, who also figures there.

There is a garden
Something like the shadow of a butterfly
And lies beyond the gates of dark and light
And darling, it belongs to me
