I loved Dusty's look in the 70s and I wondered if you all could post pictures of Dusty in the 70s. I only have a few. Thanks 😊

Thanks for the pics Matt!....my two fave pics of 70's Dusty are the ones I would say are from circa '76, Dusty has straight, soft, mid-parted hair, there's a big smile in one pic, and a serious look in the other.....if anyone could post them on this thread I'd be grateful!

I think they were a little later, 78ish and I can only find one of them on my computer at the moment but here it is.

Thanks for that! - That looks nothing like Dusty! I don't know but I would've said 1977 🇬🇧

That's the one Carole!....Thanks for posting, I've always been intrigued by the date of this one, I'm familiar with the '74 ones, and the '78 onward ones, but '75, '76, and '77, seem to be the 'missing' years when it comes to photos of Dusty?

Hello all! Hope everyone had a good week...

Does anyone know which TV show the first photo Matt posted is from? Its the one with Dusty holding the mic wearing a yellow top and black embroidered waist coat...looks circa 1970?!?!?

Any ideas anyone?

Thanks, Neil 😊

I want to watch that too! - I know it exists because I saw a miniature clip on a documentary. I thought is was from 1972?

I might email Paul Howes and ask him where it's from if no-one knows. I'll give Carole a chance first though 😊

I think it's 1970 as well, could be the Johnny Cash show. Paul is away at the moment and will probably come back to a thousand emails Matt! I'm almost sure it's the JC show.

I won't E-mail him then. I don't want to be a pest. I knew you'd know 😊 1970 it is! I will look in the complete DS when I get it which won't be for over a month 🙄 because my brother got a CD aswell and that takes 4 - 6 weeks to come and I, being stupid, selected "group orders".

Matt, when we talked about this thread the other day you said you wanted Dusty with "long hair"--well here's one I love. I believe she is singing Take Me To The Pilot on Marty's Feldman's comedy show. I've leave the date to someone else.

Nonetheless, the hair didn't move much! Have you seen her whole getup from that performance? Holy moly.
