Thats great that Dusty is still getting air time. I never listen to the radio, so I never know these things.

Nice to hear Middle of Nowhere..I just think the backing singers are great on this record...Madeline,Lesley Duncan and Doris Troy and Dusty herself...what a line up!

PS.

Love him or hate him Jonathan Ross played YDHTSYLM on Saturday. He said "Dusty of course" and Andy Davis said.."yes the lovely Dusty."

So there is hope for him yet!! 😊

Well, there's hope for Andy, he's snook Dusty into the show a few times and plugged her, he's the fan, I don't think Ross has a clue what he's playing half the time!

Brian I'm too busy to listen to the radio, and only watch tv for a couple of hours each day!

That's the beauty of radio Cas, you can be busy and still listen! I always do my jobs with a background of radio, it's usually on upstairs and downstairs at the same time 😊 First thing I do when I get up for breakfast is turn on the radio.

I mean I'm not usually in to listen to it. I'm either on here or out!
