You're totally right, Michael. No way this is Dusty, make up or not.

In fact, it looks like there's something written in Dutch? "Groetjes"? And it's definitely not Dusty's signature, though I can't make out the name. The bloke who posted this picture clearly has no idea.

WHAT THE F\*\*K?? That's obviously not her!!

At first glance I thought of a young Agnetha Faltskog.....but it's not her either!.....she has a European look about her, probably a Session singer!

I would have been made mad too Michael, being corrected by an imbecile who dosen't know his singers!.....though there seemed interesting stuff about Mexican music! 🤔🤔

Made me laugh

How can anyone think that's a photo of Dusty Springfield 🤖

Rob 🤖

I replied (just individually) supporting you Michael and saying it was not a photo of Dusty and that as one of a number of fans, we all agreed it was not Dusty. I thanked him for remembering Dusty and ask him to replace the photo with one of Dusty.

Let's see whether he bothers to publish it, seems he doesn't like too much criticism. I'll leave it to you to keep an eye on the site to see whether he changes it. If not we should all write in! 🤔

I had a bit of a run in with Don Charles a few years back on Spectropop, I found him very condescending then. For the Dusty fan he supposedly is, that photo was laughable. No wonder he removed it and banned any more comments!

Now there's a man with attitude. Obviously doesn't like to be proved wrong.

I can't believe anyone would think that was a photo of Dusty!

Here's Don Charles' comment:

It's unfortunate that some people prefer bitching about the photo I chose for this post (which IS of Dusty Springfield) than discussing its contents. To nip this controversy in the bud, I've chosen to display another photo of Ms. O'Brien. Are you satisfied? Good. No comments unrelated to the text contents of the post will be allowed here from now on.

LOL! He still insists it's Dusty. => If it is, I'm Frida Lyngstad. I've also got brown hair, so it's close enough! 🤪

Cor, maybe this guy needs to borrow my glasses?

If that's Dusty then I'm Yoda [o' wise one!] 🤪

LOL Cor, 🤪 boy is this guy touchy 🤪 Still he's running true to form Carole! If he's done this before he must have a whole bunch of dubious photos! 🤪  
Now at least the photo is of Dusty.

So not Dusty ha ha ha.

His glaring error and attitude problem reduces the credibility of his site to zero. Very sad.

I know nothing about Don Charles but he sounds a right jerk to me!.....but I know the type, one of the Managers we have at Work is an "I'm always right" person, until he gets something wrong, and is belittled by a Manager senior to him....then when word gets around all the rest of us have a good laugh at the soppy sod! 🤔🤔🤔

Exactly, Tim. Though the guy doesn't seem to realise that.

Ah! I missed it before he took it down!  
What an idiot.  
There are so many thousands of photos of Dusty, why post one thats obviously out to show that she doesnt look so 100% perfect minus her makeup? Who does!?

Somebody (Cor maybe? - sorry I've forgotten) posted it on page 1 but its expired...nobody saved it did they, by any chance?

No Mads, but it definitely wasn't Dusty (make up or not) it did look a bit like Agnetha that Mark and Cor posted but it definitely wasn't La Dust!
